

Alex and Ben's High Country Run

Central Chapter

Saturday, 26 October, 2013

Come and drive on Australia's BEST roads. If you think GOR or the Reefton Spur are good ... believe it or not, these are even more fun!

The idea behind this run is to give MX-5 Club members the opportunity to experience some "roads less travelled" in the High Country and check out some AMAZING scenery.

This isn't a short run ... it's longer than the GOR run so we advise a good sleep the night before – or a co-driver – for this one.

We know it's a Saturday, but after a full day's driving you're going to need the Sunday to recover before heading off to work on Monday.

Morning tea will be in Mansfield and lunch in Eildon. There are plenty of local businesses offering a range of options in both towns. We should return to Melbourne around 5pm.
