Pirates and Wenches Christmas run

Sunday,
15 December 2013

Ahoy me hearties, sign on and join your shipmates, then splice the mainbrace with this themed celebration of the festive season.

Get into the spirit of the day and you may even take home some booty from our treasure chest! Your costume can be as fancy or as basic as you like ... raid the kids' toy box and use your imagination or come in full rig.

We will plunder the Dandenong Ranges with a **very basic** no stress navigation run, coming alongside at Silvan for a BYO picnic lunch. This is not a fast run by any means but it is very scenic and will require constant tacking.

As in previous years we ask members to bring along a child's toy to be donated to a local charity's Christmas appeal.

Meeting place: Pickett Reserve, Commercial Road, Ferntree Gully (Melway 73 J12).

At: 9:30am for a 10am start.

BYO: Picnic lunch, refreshments, chair/picnic rug. BBQ facilities available.

RSVP: Not required, but would be appreciated to assist with planning.
