Located on the Limestone Coast of
South Australia
For the SA/Vic MX-5 Clubs' Biennial
Friday 6th - Monday 9th March 2015

We are planning a relaxed weekend with the emphasis on having fun, making new friends and catching up with old friends. The weekend will be a food and wine experience of the Limestone Coast interspersed with some really great runs.

There is a choice of accommodation and prices. The Robe Haven Motel and Great Western Melaleuca Motel are holding rooms until 15th December 2014. After that date all excess rooms will be released. The Harbour View Motel will not hold any rooms but the likely hood of the rooms being available up to 15th December is very high. *Please read cancellation policies of each motel.*
