

Western Victoria Chapter

# Melville Caves run

Sunday,  
7 May, 2017

*Join us as we work our way through the goldfields to reach the huge granite boulders that were used as a hideout by the bushranger, Captain Melville.*

*Enjoy the region that has unearthed tons of alluvial gold, including the 'Welcome Stranger', the biggest alluvial gold nugget ever found.*

*There will be a few stops, including morning tea along the way, then on to Melville Caves for a BBQ lunch. It's a short, easy walk to the lookout, and there are other tracks/caves if you wish to explore further.*
