Wood's run to the Melville Caves

Saturday, 12 May, 2018

Join us again this year as we work our way through the goldfields to reach the huge granite boulders that were used as a hideout by the bushranger, Captain Melville.

We will be taking a different route to get there, but still will be moving through the central Victorian region that unearthed tonnes of alluvial gold.

There will be a few stops, including morning tea at Avoca, then on to Melville Caves for a BYO lunch.

Meeting place:	Lucas shopping centre, Dyson's Road Lucas
At:	8.45am for a 9.15am start
