

North-Eastern Victoria Chapter

# Christmas run to Bright

Sunday, 9 December, 2018

## It's the last run of the year ...

... and a time to celebrate Christmas and reflect on how lucky we all are to be part of a great group, have the best cars to zoom zoom around on some of Victoria's best country roads.

It's also a time to bring some Christmas cheer to those less fortunate. This year we will be supporting the Salvation Army KMart Wishing Tree Appeal which supports children, adults, seniors and families who are unable to afford gifts for Christmas. Bring along a gift and indicate the age group and gender of who might like to receive your gift.

Ian Watt will deliver the gifts to KMart on our behalf.
