## 6 PRACTICE AND INSTRUCTIONAL SESSION

*Drivers in all groups will not be permitted to overtake on corners unless the driver in front clearly acknowledges that they have seen the following car and the driver clearly indicates on which side to pass.*

Be aware of the cars on the track around you. Watch your mirrors regularly. If a car comes up to overtake, indicate by clearly pointing with your hand the side on which you wish to be passed and keep your current line - do not deviate onto the other side of the track. Make sure you slow down to let the overtaking car pass.

If you are travelling behind a car doing a similar speed as yourself, always leave a safe braking distance. Don't tailgate and never allow a group of cars to bunch. If cars do bunch behind you, move to the side, slow and allow them to pass.

You may leave the track at any time during a session. You must exit at the nearest pit entrance which could be either at the Front Straight PIT ENTRANCE (between turn 11 and 12) or at the Honda PIT ENTRANCE at Honda corner (at turn 4).
