# Melville Caves run

**Sunday,  
22 September, 2019**

*Join us as we work our way through the goldfields to reach the huge granite boulders that were used as a hideout by the bushranger, Captain Melville.*

*Enjoy the region that has unearthed tons of alluvial gold, including the 'Welcome Stranger', the biggest alluvial gold nugget ever found.*

*We'll stop for morning tea along the way, then head on to Melville Caves for lunch. It's a short, easy walk to the lookout, and there are other tracks/caves if you wish to explore further.*

*The run will finish mid-afternoon in Creswick.*
