

Central Chapter

Kinglake/Healesville Waypoint run

Sunday, 17 November, 2019

**As an alternate to our regular convoy runs,
the Central Chapter is conducting a Waypoint run.**

On a Waypoint run, drivers are given a preferred route and destination venue to travel to at their own pace. The Run Organiser provides everyone with waypoints for participants to meet up and regroup along the route to a destination venue and back.

Driving in a bunch is not obligatory, but a matter of individual choice.

We will be travelling from Warrandyte to Kinglake, looping around through Flowerdale and Glenburn, back to Kinglake and finishing at Coronation Park in Healesville for a picnic lunch.

After lunch you are free to make your own way home.

Meet:	Beasley's Nursery car park 195 Heidelberg-Warrandyte Rd, Warrandyte VIC 3113
Time:	9am for a 9.30am departure
Distance:	Start to finish: Approximately 140km, 3-3.5 hours in duration.
Bring:	BYO morning tea and picnic lunch, refreshments and chairs. Note: There are shops and cafés close to the lunch spot if you wish to buy lunch.
RSVP:	As we are trying a new format for this run, an RSVP would be appreciated to get an idea of numbers. Please email Peter (see below).
