

North-Eastern
Victoria Chapter

Tastes of the North-East

Sunday,
2 February 2020

The high country is a gourmet extravaganza and a culinary adventure waiting to happen.

Join the North-Eastern Victoria Chapter as we combine two of life's great pleasures: driving an MX-5 and eating/drinking.

Make sure there is room in the boot for we'll be visiting numerous providores in Beechworth, Stanley, Tarrawingee and Milawa where you'll be able to stock up on specialty cheeses, mustard, bread, olives, berries and honey, as well as jams, pickles and preserves.
