

Next evolution of the NB

1999 – 10AE (first of the anniversary editions)

As for a base NB8A but with the following exceptions:

- Leather/sueded seats
- Nardi steering wheel and gear knob
- Sequenced 10AE badge (7500 units worldwide)
- 6 speed gearbox (in lieu of 5 speed)
- One off body colour – blue
- Torsen LSD
- Bilstein shock absorbers
- Front suspension tower brace
- 15" buffed/polished alloy wheels

10AE owners were presented with a gift box containing his and hers watches, a scale model of the car and a 10AE key ring, as well as a certificate bearing the car number and a Mazda-branded RACV touring guide

2000 – Heritage edition

As for standard NB8A with the following exceptions:

- Limited production of 100 for Australia
- 6-speed transmission in lieu of standard 5-speed
- Special body colour – Art Vin Red Mica (deep wine colour)
- Convertible top keyed to interior colour
- 15" polished alloy wheels
- Parchment leather seats and gear shift lever surround
- Nardi wood steering wheel
- Nardi wood shift knob
- Wooden parking brake handle
- Wood grain finish centre panel
- White-faced instrument dials with chromed meter rings
- Chromed inner handles and hand brake button
- Stainless steel sill scuff plates
