

SE – 2004, and a few into 2005

As per the NB8C but with following differences:

- **Turbo charged and intercooled to produce 121 kW @ 6000 rpm and 206 Nm @ 4500 rpm**
- **Bilstein shockers**
- **17" wheels**
- **Alloy pedals and scuff plates**
- **Body kit and rear spoiler**
- **LSD**
- **Red/black seats and door trims or optional black leather**
- **Special centre console including a 6-stacker CD**
- **6-speaker sound with 2 speakers in wind blocker**
- **Upgraded gearbox**

The very few 2005 cars had a slightly different wheel design (still 17" 5- spoke), and some wheels were black.
