

Limited Edition NCs

2005 – 3rd Generation Limited

This is based on the NC1 which had just come out. It differed as follows:

- Only 250 released in Australia and each car had a numbered plaque in front of the gear stick on the console
- Chrome windscreen surround
- Steel Silver finish 17" alloy wheels (unique to this model)
- Bilstein shock absorbers
- Red and black leather seats and red Maztex door trim
- Brushed aluminium instrument and dash panels
- Chrome finish to highlight instruments and air vents
- Chrome fog lamp surround
- Chrome grille surround
- Stainless steel sill scuff plates
- Numbered badge
- Available in 3 colours – *Velocity Red* (exclusive to the third-generation limited), *Brilliant Black* and *Galaxy Grey*.

LE owners were presented with a certificate bearing the car number.

2006 – Limited edition

Based on the standard NC1, this model differs as follows:

- 17" BBS wheels (as later used on NC2 *Sports Option* which also included Recaro seats)
- Bilstein shock absorbers
- Special paint: *Radiant Ebony* (*Highland Green* and *Stormy Blue* also available)
- White lens to rear high-mount stop lamp; clear side indicator lenses
- Sand leather interior
- Chrome grille surround
- Chrome headlight bezels and exterior handles
- Chrome air vent bezels and meter rings
- Light brown stitching on steering wheel and parking brake handle
- Stainless steel sill scuff plates
