

Add an Event Help

The default settings for all events (that you do not need to enter) are:

- Attendee #1 Name
- Attendee #1 Membership Number
- Attendee #2 Name
- Attendee #2 Membership NumberEmail
- Phone
- Do you have a UHF radio?
- Are you or your passenger a registered First Aider?
- General Notes

DO NOT FORGET TO SAVE YOUR ENTRIES AS YOU WORK THROUGH THE PROCESS

The screenshot shows the 'Event Setup' form with the following fields:

- Event category: Club (dropdown)
- Event title: [Text input]
- Start: Date [input], Time (optional) [input], display as [input]
- End: Date (optional) [input], Time (optional) [input], display as [input]
- Link to external event page: URL (optional) [input]
- Place/location: Event location name (optional) [input]
- Event address: Street (optional) [input], City, state/province, postal code (option) [input]
- Image upload area: Click or drop file here to upload image
- Rich text editor: Edit [dropdown], [bold], [italic], [underline], [list], [link], [unlink], [undo], [redo]
- Text area: Click here to edit the description and details of your event

1. Event Category
 1. Select the Event Chapter
2. Enter the Event Title
3. Enter the Start Date
4. Start time, End date & End time are optional
5. Link to external event page – leave blank unless events such as Motorsport Sprints & Khanacross require registration in an external site
6. Place/Location – only enter the start & end locations here except for events such as Motorsport Sprints & Khanacross which have dedicated locations
7. Event address – leave blank unless as in 5 & 6 above
8. Add an image for your event
9. Add an overview of your event i.e. Start & End points, general key points of the route, whether picnic lunch, cafe or hotel, etc. Do not include specific details of the event such as the exact start point, time, etc.

Ticket Settings

Tickets are required for registration. Use drag and drop to re-arrange tickets.

Overall event capacity (blank=no limit)

Limit number of tickets per registrant/account (blank=no limit)

Ticket
Questions / Sessions / Add-Ons
Discounts

Ticket name Required

Ticket price (blank=not applicable, 0=free)

Quantity available (blank=unlimited)

Limit of this ticket per registrant/account (blank=no limit)

Count 1 ticket as towards event capacity

Override tax rate % (blank=default)

Restrict to users with these folders/labels

Exclude users with these folders/labels

10. Ticket Settings

- Overall event capacity & Limit number of tickets per registration/account - leave blank unless there are multiple tickets (refer Club Captain in these cases)

11. Ticket name

- For no limit or a limit¹ on the number of MX-5s 'No of MX-5s'
- For a limit, or you need to know the number of, attendees 'No of Attendees'

- Ticket price – leave blank unless a paid event. If a paid event enter price per person.

- Quantity available - If applicable

- Limit – Enter 1 for MX-5s & 2 for Attendees limits

- Count 1 ticket as – leave at default of 1

- Override tax rate – leave blank

Registration Settings

Setup additional questions per registration (not per ticket). Use drag and drop to re-arrange questions.

Registration start

Registration end

Do not require address for primary registrant

Do not require phone number for primary registrant

17. Registration Settings

- Registration start – optional
- Registration end – depending on the event date and how many days are required for event co-ordination
- 'Do not require..'leave these fields blank

+ Add Registration Question

18. + Add Registration Question - Add any event specific requirements here i.e.

- Event is for COVID fully vaccinated participants only (use 'Required waiver/terms & Check Box option and enter required text)
- Event has multiple starting points (use 'Select' option and add the options required)

¹ Where there is a limit on either MX-5s or Attendees it is recommended to add an additional ticket titled 'Waitlist No of MX-5s' or 'Waitlist No of Attendees'. This will enable you to readily fill the event should some registered attendees cancel.

Add an Event Help

19. Go to the 'Advanced' tab

Advanced Registration Options

Event registration notification email addresses (overrides default)

Event registration button text

Redirect to URL after checkout

Allow members on automatic recurring billing to pay using card on file

Allow offline payment

20. Advanced Registration Options

1. Event notification address – add the email address of the run leader and of the event chapter Captain (separated by a comma).
2. Other fields can be left blank

Confirmation Email

Subject line for confirmation email sent to event registrants

Message for confirmation email sent to event registrants

Format Edit Tags **B** *I* U [List icons] [Link icon]

Thank You!

[itemtable]

21. Confirmation Email

1. The specific details of the event can be entered here after the 'Thank You!' text or it can be left as a general event confirmation to the registrant – there is no need to change the Subject line.

DO NOT FORGET TO SAVE YOUR ENTRIES AS YOU WORK THROUGH THE PROCESS

Preview your event and if all sections are filled and correct.

Once submitted your event will be reviewed, a Motorsports Australia social event permit will be allocated and the event approved for publication.

NOTE: If you do not receive a confirmation email that your event has been submitted please contact the Club Captain.

The event will now appear on the Events Calendar and you can access the event by clicking on the 'Admin' button where all registrations for your event will be shown. You can download a csv file of all attendees from here.

Please refer any queries to the Club Captain clubcaptain@mx5vic.org.au
